**TO WHOM IT MAY CONCERN**

This is to certify that **Mr. Anivar Ammanath Aravind** was associated with the **International Centre for Free and Open Source Solutions(ICFOSS)** from **October 2012 to January 2015** in the capacity of a **consultant**, and continued to engage with ICFOSS in a **community partnership role** through 2017.

During his consultancy, Mr. Anivar Ammanath Aravind contributed to a national research and development program funded by the **Ministry of Electronics and Information Technology (MeiTY), Government of India**. He provided technical leadership in the development of Indian language support systems for mobile platforms, including input tools, rendering engines, and localization frameworks. His responsibilities included strategic planning, coordination, and delivery of outcomes aligned with national digital inclusion objectives.

From **2015 to 2017**, Mr. Anivar Ammanath Aravind remained actively involved with ICFOSS, contributing to **state-funded programs supported by the Government of Kerala**. His work during this period included voluntary collaboration in areas such as Malayalam computing, public engagement, and the alignment of open technology ecosystems with institutional goals.

ICFOSS acknowledges the contributions of **Mr. Anivar Ammanath Aravind** during this period. His work supported the development of open, inclusive, and sustainable digital infrastructure through both nationally and state-supported initiatives.

Sincerely,

Dr. Sunil T T  
Director  
International Centre for Free & Open Source Solutions
